

## Summer Show and Panto too!

The gods of weather had smiled during the days of preparation, if you discount a few gusts of wind, when the field was marked out, the marquees erected, waste bins emptied and extras distributed, bar stocked, barbie sorted....all the unseen stuff before the big day. All that was needed was their continued goodwill on the Sunday of the show. Maybe Jan D'Ambrogio and Sarah Mitten have supernatural powers of their own, because Sunday 1<sup>st</sup> Sept, a date chosen months ago, dawned and stayed sunny and warm, apart from a brief shower at mid-

day, and once again the playing fields of Westbury teemed with revellers enjoying the delights of the Annual Westbury Show. Our picture shows the cast and director of Westbury Players' attempt to beat a Guinness World Record for a pantomime, to include all the usual ingredients, including a principal boy, dame, villain, song and audience participation. The current record is five minutes 50 seconds, and the chosen panto was Jack and the Beanstalk. The brain child of Mark Landon, who is directing next year's full length panto, this attempt failed by a mere four sec-

onds. Learning from the experience, they are going to try again at the Parish Christmas Party on Dec 7th. Other main ring attractions at the show included a sparkling appearance by the Harmony Twirlstars and Checkers Gymnastic Club. Live music was provided by local duo Vanity Trap and solo artist Jemma Phillips, Showtime Shane provided entertainment for the kids, and there were plenty of stalls selling a multitude of products, including plants, cakes, soft toys and beautiful wood carved ornaments. In the main hall Gemma Byrne presided over the flower and produce show and competition. There was plenty to eat and drink throughout the afternoon. Thanks to the hard work of the show committee and helpers, before, on the day, and clearing up afterwards, this year's show was a great success and raised over £5,000 for Parish Hall funds.

*Mike Edginton sets up the 'Guess the weight of the cock' competition*

For the record, the winners in the Flower and Produce Show were:

Dave Parry.... 4 firsts for vegetables

David Harris...7 firsts

John Watts... 2 firsts

Mike Gander...3 firsts

Di Landon.....3 firsts

and one first each to: Frances Down, Rob Griffiths, Sheila Williams, Claire McCartney, Cilla Radley, Eve Tonks, Clinton Wood, Annette Wales and Gemma Byrne.

In the children's section, the honours went to Edward Barry and Emily Morgan. *Ed*

**T**his month's account of the proceedings of the Parish Hall Management will be brief and to the point. The reason for this truncation is that my detailed and carefully crafted report has completely disappeared into the bowels of this \*\*\*\*\* computer, despite several 'saves'. So here it is.

\* Jan has received a couple of quotes for new fire exits.

\* Sarah had circulated the figures, and everything looks OK

\* Bookings busy for September and October

\* Lounge lighting to be re-assessed in view of the darker evenings.

\* The table store is to have door, with a retaining chain inside.

\* The Severndipity Club committee will in future meet the day before the Parish meeting

- \* Summer Show bar take was down on last year
  - \* The new bar co-manager is settling in well
  - \* User groups were invited to decorate the Parish Hall Christmas tree (Yes, it's that time of year again!)
- That's the bare bones of it, and the meeting took an hour and a half, so you can colour in your own discussions. *Ed*
- 

### Hall Events for October

#### Cricket Club Dinner

Friday 4 October 6:45pm

#### Quiz Night

Sunday 6 October 8:00pm

#### Nosh & Natter

Thursday 10 October from 12 noon

#### Country & Western

Saturday 12 October 7:30pm

#### Westbury on Severn

#### Age Concern Lunch Club

Friday 25 October 11am-2:30pm

Transport can be arranged, if needed, all for £4.00. New diners are welcome, in fact encouraged!

*For more details, please contact Sarah on 07554 996734 or Jane on 07789 128487*

### Meetings

#### Parish Hall Management Committee

8 October 8:00pm

#### Parish Council

21 October 7pm

### Regular Groups

#### Short Mat Bowls Club

Every Monday 7:30pm, Weds 1:30pm

#### Fitness Class - Fit-steps

Every Tuesday 6:15pm-7:00pm in the Main Hall

#### Zumba Gold Low Impact

Every Thursday 9:30am-10:30am

### Youth Project

Every Thursday in the Main Hall at 6pm

### Mother & Toddler

Every Friday 9am-11pm in the main hall

### Community Bar Open

Tuesday from 8pm

Saturday from 5pm

### Westbury Football Club Training

Every Weds contact David D'Ambrogio 01452 760630

### Football Match Days

Oct 5th Westbury V Chalford Res

Oct 12th Westbury V Millwall

Oct 26th Westbury V Bream Amts

All 2.30 pm kick off

### Westbury Rugby Club Training

Every Tues contact Ken Boulton 01452 760285

### Rugby Match Days

Oct 19th Westbury V Cheltenham Civil Service

Oct 26th Westbury V Minchinhampton

All 3pm kick off

---

### Future Events

#### Watch this space

#### Parish Christmas Party

Saturday 7th December

Details to follow soon

It's Panto time again and we shall be having our first read through on Sunday 29th Sept at 7pm. So if you are interested in joining us either on stage or as part of the 'behind the scenes' crew, please come along.

---

*It's a funny thing, but I don't remember getting absent minded*

## SuperGarden

Just a year ago, parts of the garden at the Order of St John Care Home at Westbury Court were overgrown and inaccessible. Since then, a transformation has been achieved with the entire team having pulled together, using any free time that they had as well as coming in on days off, to help turn this once neglected garden into a residents' haven. Fundraising and donations provided the gardening tools and although it was very hard work, they found that it was great for building friendships and they were all happy to just be outside making a difference.

So they were really pleased when they found that they had won the Trust in Bloom best garden in Gloucestershire – and the best vegetable patch, which

they call 'Ron's little acre.' Resident Ron, a former Ambulance Driver, is a gardener extraordinaire and with his expertise and the enthusiasm of Sarah Taylor, the Activities Co-ordinator, the team became an unbeatable gardening squad. Ron has tended to the vegetable garden non-stop and encouraged others to become green fingered too. The garden is now a place full of joy, colour and good taste.

The team were made aware that they

would receive their award at a ceremony in October, but after Dan Hayes, the Chief Executive of 'The Orders of St. Johns Care Trust', had visited all the

county winners, the overall winner for the whole country was selected and the Westbury Court crew are proud to say that they are the chosen winners!

Dan Hayes said that it was "*abundantly clear that gardens and outside spaces have a special ability to change residents' lives. A common thread this year was how much a garden brings people together; volunteers, colleagues, residents, local community groups and companies that donate...it's been a real team effort.*"

*What water yields the most beautiful vegetable garden?  
Perspiration.*

## Post Office Meeting

The meeting at the Parish Hall, called to discuss the future of Westbury Post Office and chaired by Simon Phelps, Chairman of the Parish Council, was attended by over 50 people, including sub-postmasters Matthew Barnes and Sarah Guilfoyle. After Simon explained that the purpose of the meeting was to seek the views of interested parties about mounting a rescue package, Sarah laid out the current situation. The post office is currently housed at the Lecture Hall in the village, and the owner wishes to sell the premises and has given Matthew and Sarah three months notice to quit. Subsequently the Parish Council (PC) sought and obtained a community asset order, which prevents the premises from being sold for six months to allow time for a solution to be found. The PC is prohibited from raising funds to purchase the premises, so an alternative had to be found. Other possibilities, including the Lyon Inn and the Parish Hall were considered and Mike Edginton, on behalf of the Parish Hall Management Committee had explored the possibility of renting a suitably designed Portakabin and siting it on Parish Hall grounds. Sarah explained that Royal Mail rules mean that only they, the Royal Mail, can transfer all the equipment from one site to another, and would charge around £10,000 to do so. Matthew explained that it did not make financial sense for them to pay that amount, but he and Sarah liked the community in Westbury and thought that it deserved continuity of post office services, which could be handed on when they retire.

After considerable debate, it was agreed that the community should be asked to raise the money to cover the costs of moving into a rented Portakabin. The owner, Mrs Larkham, agreed to extend the notice period to allow time for a fund raising effort, provided the PC arranged to have the premises removed from the List of Assets of Community Value. A committee of six people was formed to mount a fund raising campaign. *Ed*

**Nosh and Natter**  
at  
**Westbury Parish Hall**  
**Thursday 10th October 2019**

Food served between  
noon and 1.30pm

Mushroom soup  
Beef stew and dumplings  
Chocolate swirl cheesecake

Vegetarian option available on  
the day

£8.00 two courses: £10.00  
three courses

**Come along for a natter and  
some home-made food**

*Either see in person or call  
Gail on 760495/Jan on 760630  
to book a seat  
so we can cater accordingly  
Thank you*

ON BEHALF OF THE WESTBURY-ON-SEVERN PHMC, I WOULD LIKE TO THANK ALL THOSE WHO HELPED BEFORE, ON AND AFTER OUR SUMMER SHOW AND FOR THOSE WHO TURNED UP ON THE DAY AND SPENT THEIR MONEY - WE RAISED OVER £5000 FOR THE PARISH HALL

Thank you  
Jan D'Ambrogio, Chair.

Tim and I would also like to thank all those who helped us at the Summer Show barbecue. We were kept busy all day and their assistance was much needed and very much appreciated. *Mark Brill and Tim Smith*

## Parish Council

There were a few empty seats around our table at the September Parish Council meeting, partly due to holidays but also to the health problems of two of our members, to whom we sent best wishes for speedy recoveries. There was only one member of the public present who raised the issue of a second Autograss cancellation on Sept 8<sup>th</sup> without notice, in spite of the Club's undertaking at the beginning of the season to keep local residents informed. Fiona will contact them for an explanation.

### Planning

All three of this month's planning applications involved the installation of ground source heat pumps or biomass boilers, all of which we felt were steps in the right direction for reducing emissions and to be encouraged and so we supported or raised no objections to all three. Fiona updated us on decisions on previous planning applications, but the only one that we had a problem with was the granting of permission for work in Ley Park Wood. We had objected to this, but the decision was made by the planning officers rather than the planning committee at FoDDC, which Fiona will question.

### Around the Parish

**Play Area** Advice will be sought from the Playing Fields Association as to whether we should have a sign saying that children should be supervised by an adult while using the play area. A new No Dogs sign is also needed.

### Highways

Chairman Simon Phelps was taking Andrew Middlecote on a tour of the parish's problem areas the next day, so we hope that this may speed up pro-

gress on the most pressing problems. There had been several complaints about the overgrown pavement between the Old Vicarage and the Old Police Station. In the past this has been kept clear by a parishioner spraying with weedkiller but, following a complaint, this is no longer happening, so we have to wait for the Highways team to deal with it. There had been another accident under the railway bridge at Jordans Hill and at a recent Road Safety Group meeting it had been

suggested that the triangle of land on the right as you approach the bridge from the Newnham direction should be cleared to give a better view of oncoming traffic. Several past attempts to contact the owner of the land have been unsuccessful and so we have now been advised that we should publicise our intention to clear it and, if we have no response, just get on with it. However, some clarification is needed as to who foots the bill, as it will be an ongoing task to keep the area clear.

#### **Footpaths**

Geoff Wheeler of the Public Rights of Way team had visited the parish and inspected some footpaths which had become blocked. Further action is being taken to get a footpath near Walmore Common re-opened.

#### **Burial Ground**

The Governors and Head Teacher of Westbury School are meeting to decide how much of the land next to their existing playing field they would like to lease and then, once the lease is sorted out, estimates can be obtained and work begun on the new playing field. We are

also collecting ideas for suitable use for any land that the school does not require – allotments, a community orchard or as a space for various other sport or leisure activities. This may be a little way off, but it is worth thinking about.

Following complaints about the state of the burial ground, we had been to have a look at the problems. The hedge growing out over the cremation stones, ivy covering the headstones nearest the field and anthills dislodging some of the stones seem to be the main problems. Similar problems keep cropping up in the closed churchyard as well. It is also clear that the growing season is getting longer and the amount of mowing needed to keep the grass under control is greater. This, of course, will mean that extra time, and therefore money, will have to be spent in order to keep it up to the standard that is expected. We parish councillors will be having a working party soon to tidy the burial ground up as much as possible, but while we realise that family members often move away, leaving no-one to care for some of the graves, we would also remind relatives that the care of individual graves is the responsibility of the family.

#### **Closed Churchyard**

The grass cutting contractors had notified us that they would be cutting the long grass in the closed churchyard the following day and that the cost of the removal of the grass would be £206.

They have received complaints that the churchyard looks unkempt, and it was agreed that we need to display

signs explaining that the area is being developed as a wildflower area at the behest of English Heritage. The complaints are a bit discouraging after the work that has been done by the monthly voluntary working parties and we would ask that people who care about the appearance of the churchyard come and lend us a hand. We meet every 2<sup>nd</sup> Saturday of the month between 10am and 1pm, weather permitting and refreshments are provided. We are going to look at the plan for next year to see if any adjustments are necessary.

#### Post Office

Following the public meeting, a letter had been sent to the District Council asking them to lift the Community Asset order following the owner's agreement to extend the Post Office's notice period if this was done. They will notify the owner when the order has been lifted. There are several hurdles to overcome – raising funds for the cost of the move, getting planning permission for the Portakabin at the Hall etc – but the situation is looking more hopeful.

#### Bus Shelter

Estimates had been received for repairs to the bus shelter at Six Bells and it is hoped the work will be started quite soon.

#### Telephone kiosks

As reported last month, the payphones in the village and at Stantway are to be removed but we have 'adoped' the kiosks. There are plans to use the one in the village as an information point and the one at Stantway for an arts project – so more details in next month's WoSP when I know more.

Brian Robinson, our County Councillor, gave his report in which he assured us that climate change is high on the County Council's agenda and several

steps have already been taken which have brought them nearer to their target of making the county carbon neutral by 2050. LED street lighting, solar panels on Shire Hall and the use of electric pool cars by staff have all helped. The new incinerator has been running since July and is now taking all the black bin refuse and is generating electricity. The Forest of Dean is doing well and is now recycling 60% of all waste but, unfortunately, there are still some people who are not recycling anything at all. Recycling food waste is apparently the most important as the Council are collecting the methane from it, and although it is a shame that only plastic bottles are recyclable in this area at the moment, this type of plastic is recyclable more locally and is of higher value.

The next meeting will be on Monday 21<sup>st</sup> October at 7pm. *Di Landon*

**CROSS ROADS CARE**  
Forest of Dean & Herefordshire

**VOLUNTEERS NEEDED!**

**DOG DAYS SOCIAL GROUP**

Crossroads and the Forest of Dean Dementia Action Alliance are recruiting volunteers to support a rewarding Dog Days Social Group.

You'd be helping us to support people living with dementia in the Forest of Dean, empowering them to join in with social events, improving health and wellbeing by communicating and interacting with friends.

All volunteers and their dogs must complete a comprehensive training scheme to ensure client safety and engagement. There are no costs for this training.

- Learn more about dementia
- Free dog training

The nine week course is hosted every Wednesday at Drybrook Rugby Club (5.30-6.30pm), from October 16th. This is required to meet all health and safety legislation.

We ask all volunteers to commit to the final Wednesday of every month, from 2-4pm, for at least six months from January 2020, to provide continuity for those in attendance.

To find out more, please contact **Ruth Ward** on 07958 936283/ruth.ward@publicgroup.uk or **Claire Smeeth** on 01594 823414 / claires@crossroadsfd.org.uk.

The Curious History of Vegetables  
*by Bill Laws*

**T**here were 12 of us at the September meeting of the Royal British Legion and after the usual formalities, we heard that efforts are being made to collect all the photos that were taken at the centenary commemoration last October so that they can be combined in a book, and we were able to admire the beautiful quilt, made by Julia Chappell, which displays the names of all those local men who served and died in the two World Wars. We have been advised that if it was hung in the church permanently the fabric would deteriorate, so it will be displayed at British Legion events and stored safely in between times. It was also suggested that it could be displayed at the forthcoming Flaxley Music Day. The collections for this year's Poppy Appeal will start on 26<sup>th</sup> October and Ernie Pemberton and Beryl Watts had attended the annual Poppy Organisers Meeting at Highnam Court in August. They learned that last year's appeal had

THE ROYAL BRITISH  
**LEGION**

raised £50 million, with Gloucestershire raising £745,000. The theme for this year is "Remember Together" which reminds us of "the friends, allies, and Commonwealth nations who joined Britain in defending its freedoms, values, and way of life."

The next branch fundraiser will be the Poppy Lunch on Sunday 3rd November. This takes place at Northwood Green Social Hall where you can feast on Vegetable Soup or Smoked Mackerel Pate, Roast Beef or Pork or a Vegetarian Option and a selection of puddings. Tickets are £15 per head and selling well and you bring your own drink. *Contact Pauline Hayward on 01452 760727 to book yours.*

The Remembrance Service will take place at Westbury Church on Sunday 10<sup>th</sup> November and George Townsend will bear the Legion's standard.

*Di Landon*

---

### **Look After Your Ditches**

We have received a reminder that, as vegetation is now dying back and we are outside of the nesting season (March-August), it is an ideal time of year for Riparian Owners to maintain their watercourses.

If you have a river, stream, ditch or culvert running through, or alongside your property, you are probably responsible for its maintenance. This does not just apply to farmers, and homeowners may not realise that the ditch at the bottom of their garden belongs to them and that they may be responsible for its maintenance. This responsibility includes clearing any obstructions (natural or otherwise) so that the normal flow of water is not impeded (even if it is not your fault that the debris is there)

and maintaining the banks and bed of the watercourse (including any trees and shrubs growing on the banks) and any flood defences that exist on it. It also includes the maintenance of structures such as culverts, weirs and mill gates on your stretch of the watercourse.

---

## Westbury Sports

By Mark Landon

### Cricket

**W**estbury 1st XI sealed second spot and promotion to Div 1 with a comfortable win over **Woodmancote XI** in the final game of the season. Tom Landon opened the bowling for Westbury and took a fine 4-15 in 7 overs and Woodmancote's final total of 120 never looked enough and this season's top scoring batsman Greg Artus spanked a quick opening 50 to set Westbury on their way to a comfortable 4 wicket win. Well played all!

The 2nd XI sealed...er..mid table obscurity with an (eventually) comfortable win over Charfield who failed to chase down their total of 151-5 and were skittled out for 136. Jon Hargreaves was the star of the day, scoring 47 with the bat and knocking over the tail finishing with 4-6 in less than five overs. The team consisted of four key players from the ladies squad who all contributed with bat and ball. Kate Edginton took a wicket which would have been two but for some incompetent fumbling from mid off who dropped a simple catch and Charlotte Williams finished not out with the bat and also had to contend with some incompetent fumbling during the customary handshakes with the opposition at the end of the match. Charlotte Dunn took a wicket and bowled

considerably straighter than her Grandfather did on that dark day many years back when...ooops, I've said too much already. Nikki Edginton not only fielded and batted with gusto but also took her first umpiring scalp - adjudicating Ian Broady run out when he studiously replayed a forward defensive shot to iron out some minor issues and made the basic error of forgetting to ground his bat behind his crease first. A quick witted fielder threw the stumps down and up went Nikki's finger. Now she too has experienced the power to ruin someone's afternoon - welcome to the club!

All in all a good season for all, with a burgeoning youth section and a Womens team going from strength to strength. *Bring on 2020...*

---

### Football

**W**estbury 1st XI started their league campaign as they finished their last with a draw against **Harrow Hill Reserves** at Larkside Road on Saturday 7th Sept. Director of Football Tempest could be seen anxiously searching the car park 10 minutes before kick-off as 50% of the midfield hadn't yet arrived. Upon seeing the press pack assembling he adopted an air of faux confidence and attempted to change the subject to the previous week's Summer Show but his eyes betrayed deep anxiety. However, once Junior Mbika and Dodou screeched through the gates he relaxed somewhat and strode back to the dug-out, optimism restored. The game started with Westbury passing the ball neatly around in their own half but failing to provide evergreen centre forward Robbie Snelgrove much

to work with. Harrow Hill equally seemed unable to turn possession into any clear cut chances with the result being that a significant amount of time was spent fetching the ball back from the surrounding deep forest following misplaced passes or shots. As half time approached and with the score stuck at 0-0, Harrow Hill half defended one last attack and the ball ballooned out to David (a new recruit from Richard Cook's Fish Emporium) who fired in a world class volley from 20 yards leaving the keeper no chance as the ball flew into the bottom corner. It was a moment of brutal quality that stood out in a tidy but not pulsating half of football.

In the second half Westbury looked the more likely to score with Junior Mbika twice driving through from midfield exhibiting exceptional strength and close control, setting himself up to score only the blooter the ball high into the surrounding woodland. If his right foot was a golf club, it would be a 9-iron, or more specifically Mark Brill's 9 iron. He will be practising his finishing in training we hope. Jamie Ward, starting in midfield rather than his customary right back position, also found himself in a clear scoring position with only the keeper to beat but the shock of such an unfamiliar situation proved too much and he prodded the ball well wide. Meanwhile Harrow Hill pushed forward and from a resultant corner the ball ping-ponged around the 6 yard box until an unidentified Harrow Hill player smashed it in the net from one yard out. Statistically our goal was 20 times better but sadly that was how it ended, all square at 1-1.

Director of Football Tempest scowled in frustration and in a sign of early sea-

son mental disintegration then left his hat behind at the Harrow Hill clubhouse.

### **Westbury Firsts versus Worrall Hill**

*By Clive Tempest, Director of Football*

**A** pulsating match ended 4-3 for the visitors. A large powerful Hill side were faced by a clever footballing team that (you guessed) should have won.

Westbury went one up early thanks to the mesmerising feet of Reagan Warrington, who had his best game this year. Junior Mbika (playing striker on the advice of the Director of football-who knows a thing or two) slotted home a good penalty. Hill then scored a good goal thanks to their ex-Broadwell County League player. However, Junior then raced from half way to slip one past their keeper. No flag but what is this: the referee who was in our half and not in line ruled it off side. Consternation and outrage compounded later in the match when Dodou smashed one in off the crossbar, rippling the net only for the ref to say he was not sure it had crossed the line. More consternation. Junior scored with a superb header but a fumble from the Westbury keeper gave Hill an easy tap in. Reagan got another thanks to a mazy run but Hill then got a just about fair penalty. Three all. With five minutes to go it was all the home side and Reagan was hauled down but no penalty given. A blatant hand ball by a Hill defender was ignored and, inevitably, a last minute winner from Hill gave them the points. West look good and should climb the League soon under the massively talented leader Tom Landon.

*Eve Tonks was in Hayle, Cornwall this summer and obtained a copy of their newsletter, in which she came across the following gem, which we are happy to share with you.*

**Getting Older, by Barry.**

I am a Seenager (Senior teenager)  
I have everything I wanted as a teenager,  
only 60 years later.  
I don't have to go to school or work.  
I get an allowance every month.  
I have my own pad.  
I don't have a curfew.  
I have a driver's licence and my own car  
The people I hang around with  
are not scared of getting pregnant.  
And I don't have acne.  
Life is great, I have more friends  
I should send this to,  
But right now I can't remember their names.  
*On reflection, I hope this doesn't contribute to the generational divide by sounding a little complacent in an age where many youngsters are struggling financially. It's just to let them know that things can get better and there are consolations for becoming decrepit.*  
Ed

**Landlord's Forum aims to tackle housing waiting lists**

**F**orest of Dean District Council is holding a special event to launch the Tenancy Support Package, a new scheme aimed at encouraging private landlords to work in partnership with the council to help alleviate homelessness and reduce the local housing waiting list. This event will take place at The Main Place, Coleford, GL16 8NH on 30 September, 10am-12pm, when private landlords can find out more about a range of benefits being made available to those who rent out their properties to families or individuals who are either likely to be, or are currently homeless.

There are currently 2105 people on the Council's housing waiting list, and it is hoped private landlords will attend this working brunch forum. Cllr Di Martin, Cabinet Member for Housing said; "... we want to encourage responsible landlords to sign up to help shorten this waiting list for our residents. We will do this by providing support for local landlords to help them ensure that their properties are in good hands." For more information *contact Chauncy.seed@publicagroup.uk or call her on 01285 623346*
